

The Punishment Of My People Who Reject My Spirit

“To My people who resist Me—why do you quench My Spirit? Why do you not want Him around? You are of the Pharisaical religion of the Word, destined for Hell, dead forever, because you do not want Me around. You want religion, not the truth of the Word which you despise. You do not want My prophecies around, because they convict you of your dead religion with no power, no eternal life, and no Me around. You actively reject Me when I show up, so I Am devoid in the churches who don’t want Me. I Am active in the world with the sinners, but the Church does not want Me around for the most part. They reject My Spirit because they do not want Me around. I reject them forever because they do not want Me moving and working in the Church. Therefore, I reject them forever, wicked servants, Pharisees with dead religion destined for Hell forever. There are many of them around—the Church is full of them. They will not make it in to My Kingdom because they do not want My Spirit working in their lives. They will be destroyed in the Second Death because they do not want Me around. I Am the Source of eternal life—how dare they not want Me around and reject Me through My Spirit Who Is rejected by them. Therefore, their churches and lives are empty and dead because they want Me not. They will not let Me in to their presence because they reject Me through My Spirit. They are dead forever. I reject them, My wicked people. I stand at the door and knock, but few will let Me in. They will be saved, the rest damned. Few will make it in. I have spoken. Amen.”
